

Seth M. Rubin, MD, FACOG

DR. SETH RUBIN is one of physicians of ADVANCED OBSTETRICS & GYNECOLOGY, LLC., which is proudly recognized as a leading NJ practice for women's health and wellness. He has been recognized as a top doctor in New Jersey for 9 years.

Dr. Rubin's colleagues include Doctors Lidia F. Vitale, Patricia Ardise, Deirdre Masterton, Kara Goglia, Melissa Camiolo, Jimena Rivas, Yelena Belkina, and Manisha Abeysinghe.

ADVANCED OBSTETRICS & GYNECOLOGY, LLC. focuses on the complete needs of every woman and individualizes each patient's health goals. Together the physician and the patient build a comprehensive wellness partnership. There are four convenient locations across Hunter-

don and Somerset Counties to provide easy access. All locations offer advanced technology to promote wellness, including an accredited ultrasound program. Dr. Rubin takes special pride in working with a group that provides special attention to each pregnant mother, whether she be low risk and healthy, or have a pregnancy that requires special attention.

DR. SETH RUBIN is the chairman of the Department of Obstetrics and Gynecology at Hunterdon Medical Center. He was awarded his medical degree from the Albert Einstein College of Medicine where he was elected to the Alpha Omega Alpha Honor Society. Dr. Rubin completed his residency training in Obstetrics and Gynecology at the Hospital of the University of Pennsylvania. He is certified by the American Board of Obstetrics and Gynecology. Dr. Rubin is a surgical specialist in minimally invasive laparoscopic procedures. He has special interests in treating common gynecologic conditions, such as fibroids, irregular bleeding and hormonal imbalances.
